

Information Privacy Policy - Emili Tracking Solutions Inc

Revision Date: 2023-11-30

Preamble

At Solutions de Repérage Emili Inc. (“Emili”), we place utmost importance on protecting the confidentiality of our users' data. This policy aligns with our commitment to privacy and complies with current laws.

Scope of the Policy

This policy is specifically tailored to our site and considers the requirements of the Access to Public Documents and the Protection of Personal Information Act, Canadian Law C-23, and Quebec's Law 25, in coherence with our Personal Information and Security Policy.

Objectives

Our aim is to treat all personal information with the highest degree of confidentiality and security, as detailed in our Security Policy and Data Erasure Policy.

Consent

Consent for the collection and use of personal data is obtained transparently and informedly. Data is collected only for the required services and with user consent.

Information Transmitted via Email or Form

Personal information voluntarily provided is treated with utmost confidentiality and used only for the needs expressed by the users.

Data Sharing

In accordance with new directives, all data collected will be shared with our client cities, shelters, their third-party contractors, and approved partners, respecting legal provisions and our Personal Information and Security Policy.

Information Security

Robust security measures, detailed in our Security Policy, are in place to protect data against any unauthorized access or manipulation.

Incident Declaration

In case of an incident affecting data security, Emili commits to inform users in accordance with the processes established in our Security Policy.

Revision

This Policy is reviewed annually to stay in line with legislative, technological evolutions and our contractual obligations.
